### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose; in a reinforcing bar binding machine having a feeding motor, a clamping mechanism, a motor control and a current detecting circuit; wherein the current detecting circuit measures current values for driving the feeding motor successively at each time unit when pulling back the binding wire and the control stops the feeding motor when a newest value of the drive current is increased by a predetermined amount from a lowest value of the drive current measured when pulling back the binding wire.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Ed Tolan whose telephone number is 571-272-4525.
